

Portable DVD player

PDVD7020

Portable DVD player

To expand our range of DVD players difrnce has launched the pdvd7000 series. With the PDVD7020 we will bring a complete 7" portable so you are able to watch all your favourite movies anywhere you go. The all black and slim design makes it a player which looks great and is easy to take with you.

To complete the range we also offer a bag for this portable which is also suitable for most other 7" portables.
